This Cookie Policy explains how Discover Tiree ("Company", "we", "us", and "our") uses cookies and similar technologies to recognize you when you visit our website at <https://www.isleoftiree.com>, ("Website"). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

In some cases we may use cookies to collect personal information, or that becomes personal information if we combine it with other information.

1. What are cookies?

Cookies are small data files that are placed on your computer or mobile device when you visit a website. Cookies are widely used by website owners in order to make their website work, or to work more efficiently, as well as to provide reporting information.

Cookies set by the website owner (in this case, Discover Tiree) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third-party cookies enable third-party features or functionality to be provided on or through the website (like interactive content and analytics). The parties that set these third-party cookies can recognize your computer both when it visits the website in question and also when it visits certain other websites.

2. Why do we use cookies?

We use first- and third-party cookies for several reasons.

Some cookies are required for technical reasons in order for our Website to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our Site users to enhance their experience.

Third parties serve cookies through our Website for analytics and other purposes. The specific types of first- and third-party cookies may vary depending on the specific Online Properties you visit.

3. How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie rights by setting your preferences in the Cookie Consent Manager. The Cookie Consent Manager allows you to select which categories of cookies you accept or reject. Essential cookies cannot be rejected as they are strictly necessary to provide you with an online service.

The Cookie Consent Manager can be found on our website. If you choose to reject cookies, you may still use our website though your access to some functionality may be restricted. You may also set or amend your web browser controls to accept or refuse cookies. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit <http://www.aboutads.info/choices/> or <http://www.youronlinechoices.com>.

4. What about other tracking technologies?

Cookies are not the only way to recognize or track visitors to a website but currently cookies are the only mechanism that isleoftiree.com uses to recognise visitors.

5. Do you serve targeted advertising?

The Site, isleoftiree.com, does not serve targeted advertising.

6. How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. Please therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date in the footer of this Cookie Policy indicates when it was last updated.

7. Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at discovertiree@tireetrust.org.uk, call us on 01879 220 074 or write to us by post at:
